

THE BENEFITS

Shreds paper and CD-ROMs

Highest performance and security standards

Easy to empty

Personal Shredder MY 3000 SC / MY 3000 CC

This new data shredder is designed for desk use. As it is an all-rounder, it shreds paper, credit cards, access entry cards, I.D.s and CD-ROMs. The new concept allows you to shred CD-ROMs in 4 mm strip cut as well as in cross cut particles.

On / Off control via light barrier

Optimum safety:

- LED display
- CD slot

Easy to operate

- automatic Start/Stop
- also push button for forward and reverse
- push button for power On/Off for additional safety

A 'porthole' as a visual „bin full“ indicator

Slot for CD-ROMs is completely safe: The CD-ROM will only be pulled in when the centre hole is below the feed inlet.

Easy to empty, no mess: slide out the complete bin

Mounted on 4 castors for lexible location
Two castors can be fixed for permanent location
