

The PF-420 folding machine possesses the same features as the PF-440, but does not include a delivery table to save space.

Desktop folding machine in the established 400 series. The meticulously constructed new paper feed was designed to ensure optimal reliability when feeding all paper types. The frame's strong construction guarantees a long service life.

- Standard formats B6 to A3
- Manual entry for special formats
- Compact, space-saving design
- Retractable paper and print trays
- No delivery tray
- Machine stops when opened
