

iCrease Pro

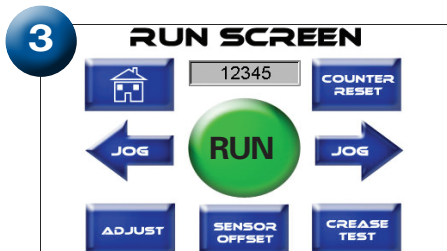

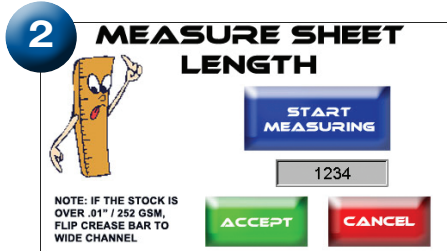

Memory locations for quick and easy job recall

Easy-to-use hand-feed operation

Automatic sheet set-up with a single touch

User-friendly touch screen control

As easy as:

The simple hand-feed creasing solution with the power of automation.

Adjustable Guides

One Step Feed

Touch Screen Controller

The COUNT™ iCrease Pro is a simple yet robust solution for creasing of digital media to eliminate cracking when folding. The iCrease Pro gives you all of the automation of bigger COUNT machines in a simple hand-feed machine anyone can use.

You get multiple crease locations and low-volume perfect bind covers, with choice of automatic hinge placement or no hinge. Sheet set-up is automatic for 11 types of folds, plus perfect binding, and custom pre-sets are virtually unlimited.

iCrease Pro

A low volume creasing solution combining simple hand-feed operation with robust features.

Features

- Simple one-step hand-feed operation means anyone can use it.
- Automatic sheet measurement and setup.
- Automatically set up for perfect bind jobs, self-center and select with or without hinge.
- Two-sided die creasing rod accommodates for heavier stock- simply remove and flip over to change from narrow to wide crease.
- Comes with pre-set crease locations for 11 different folds; plus 4 custom presets.
- Crease up to 12 locations per sheet.
- User-friendly touch screen for easy set up and control of the machine.
