## Take the guesswork out of postage

With weighing options up to 5kg, the iX-1 can automatically weigh and calculate postage values guaranteeing you pay the correct amount for every item you send, every time. Never guess the price or overpay for postage again.

## Avoid time-consuming trips to the post office

Process mail and parcels from the convenience of your office. Access Royal Mail discounted franking prices with ease. New postage prices are automatically updated making sure you always pay the correct postage every time.

## Personalise your mail

Increase open rates and help promote your business with ad slogans, custom text messages and company logos with just the click of a few buttons.

## Streamline tracked mail processes with S.M.A.R.T Online

Quadient's online software provides quick and easy access for processing letters and parcels including Royal Mail Special Delivery® and Signed For®. Automatically compare Royal Mail services to find the lowest cost or fastest delivery time to get your items to their final destination. The single screen interface is easy to use, saves you time and continues to provide users with Franking postage prices.

- Accounting option allows chargeback and budget control
- Free confirmation of delivery on all parcels
- Access anywhere, anytime history/operator shipments/transactions
